**Topic: "How Teleseminars Can Profit You as an Author--Before or
After You're Published"**

Duration: 60-70 minutes

3 Tips for Getting the Most Out of This Call

1. Print out this study guide so you can take notes during the call.
2. Read the current and upcoming articles on teleseminars at www.wordstoprofit.com.
3. Sign up for Alex Mandossian's [Teleseminar Secrets preview call](#)—4-plus hours of training on using teleseminars. When you do, you will also be eligible for the follow-up strategy call from me (live or replay, depending on when you listen), which will focus on how authors in particular can use what Alex taught on that preview call.

**Teleseminar Secrets for Authors: How Teleseminars Can Profit You As An Author--
Before Or After You're Published**

Quotes of the Call:

"If you want to persuade the world, use the human voice."
—Roy Williams, "the wizard of ads"

"You don't make money writing books, you make money *explaining*
books."
--Alex Mandossian, teleseminar expert

From this call you will discover:

1. Why teleseminars are one of the cornerstones of "new era publishing."
2. Five advantages to using teleseminars to deliver your message.
3. How teleseminars can profit you before your book is written.
4. How teleseminars can help you build your platform and create content before your book is written.
5. How teleseminars can help you promote after your book is written.
6. Answers to your questions!
7. How to get further training on teleseminars from me and from top trainer Alex Mandossian.
